About the Camp

The Lady Lions Camp will focus on teaching the fundamentals and emphasizing basic skills and techniques of basketball. Head Coach Renee Wyatt and her high school basketball players will instruct campers. Campers receive specialized individual attention during this two-day camp and are encouraged to improve weak areas while continuing to develop their total game. This camp is open to girls in grades 4-8. Instruction and competition are grouped by age and ability. Instruction will range from basic to advanced skills.

The morning session begins at 9 AM and is devoted to individual skill development. Campers are divided into small groups to work with various instructors on fundamentals of the game. The afternoon session will focus on team offense and team defense through basic basketball drills. The evening session is devoted to one-on-one play, hot shot competition and three-on-three events. Games will be played at the end of each session throughout the day. The evening session will end at 3 PM.
